ORDER:

In the e-file 2nd read above, the Director of Medical Education, A.P. has reported that at present, applications for establishing Nursing Institutions are being received directly without notification or proper assessment and are being submitted from areas where Nursing Colleges already exist, often without proper parent hospitals. He has therefore, reported that there is a need to regulate the process of granting new Nursing Colleges/Nursing Schools. It is also necessary to conduct a gap analysis for the establishment of new Nursing Colleges and Nursing Schools, considering regional balances and backward areas within the State and proposed certain Schedules for current academic year and future years in order to streamline the policy for granting new Nursing Colleges and Schools. He has further proposed that an Expert Committee will conduct a gap analysis, considering regional imbalances and backward areas. District Level Teams, along with the District Medical and Health Officers, will inspect proposed trusts, buildings, faculty and Parent Hospitals. Strict vigilance will be enforced by the APNMC through regular or surprise inspections to ensure compliance with INC norms. He has finally requested the Government for approval of schedules for processing applications for new Nursing Colleges and Schools for the current academic year and future years as mentioned therein.

2. Having regards taking into consideration and after careful examination of the matter, the Government, hereby approve the following proposed Schedules and accord permission to the Director of Medical Education, A.P. to follow these Schedules in order to streamline the policy for granting new Nursing Colleges and Schools:
